

Course Name	Code	Semester	Theory (hours/week)	Application (hours/week)	Laboratory (hours/week)	ECTS
Academic English II	HEN202	2. Year/4. Semester / Spring	4	2	0	4
Prerequisites	None					
Language of Instruction	English, Turkish					
Course Type	Compulsory					
learning and teaching techniques of the Course	Techniques of Communicative Language Teaching, which enables the learner to communicate effectively and appropriately in the various situations they would likely to find themselves.					
Instructor(s)						
Goal	The aim of this course is to ensure that students understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialization, interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party, produce clear, detailed text on a wide range of subjects and explain different viewpoints.					
Learning Outcomes	1) Can understand extended speech and lectures and follow even complex lines of argument provided the topic is reasonably familiar. Can also follow most TV news and current affairs programmes. 2) can read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints. 3) can present clear, detailed descriptions on a wide range of subjects related to his/her own field of interest with a degree of fluency. 4) can write an essay or report, passing on information or giving reasons in support of or against a particular point of view					
Content	Upper-intermediate
